

Written in Red: Words of Jesus

Faith Like a Child

Mark 10:13-16

Introduction

One of the most compelling things Jesus ever said came out of an ordinary experience with children. Not only did he welcome and bless and love children, he explained saving faith through the eyes of a little child.

Receiving the Kingdom of God like a child

Admitting we are dependent

Recognizing how vulnerable we are

Being responsive to love

Choosing to trust

Always learning and growing

Inheriting our name

Having a sense of wonder

Personal Response

Jesus is still offering the love of God and forgiveness of our sins to anyone who comes to him like a little child and believes him. No impressive resume required. No qualifying. No entrance exam. Just faith in Jesus. Like a child.
